## 100 Years Celebration – 13 and 14 March

Thank you to all involved in making our 100 Year celebration such a memorable day.

Te Wero, by David Sarich, was accepted on behalf of the manuhiri by Chairman of the NDHB Tony Norman.

Some of the hau kainga, which included members of north and south Hokianga. Here: Tipene Eruera, Patariki Briggs, John Bristow, Winiata Morunga and Bob Tito.

## MEASLES OUTBREAK

We have several cases of measles in the community. This is a very infectious illness which can have serious consequences. If you believe you or your whanau have contracted this disease **you must notify the hospital or your local nurse and stay at home.** The symptoms are high temperature, cough, and runny nose followed after about four days by a bright red rash extending from the face to the torso and limbs. The patient will feel miserable. If your child is smiling its probably not measles! Treat patients with Paracetamol and keep indoors. For queries ring the hospital.

A commemoration cake was cut by Ellen Reihana, our oldest resident born in Hokianga, and Vivian Kahi, our longest-serving employee. A plaque was blessed at the service and later unveiled by John Carter, MP for Northland, here pictured with CEO John Wigglesworth and Trust Chair Hiku Cherrington. The plaque's surround was carved by Nopera Pikari.

Copies of our book "Hokianga Health – The First Hundred Years – Te Rautau Tuatahi" are available from the hospital for \$30 a copy. Copies of the photos from the day, including powhiri, formalities and games are also available on CD for \$10. Please phone 4057 320.

This pou was presented to Hauora Hokianga by Ngati Hine symbolising the relationship between Hokianga and Taumarere. It is placed above the pou Arai Te Uru and Niniwa at the entrance to Pou Kara Ariki marae. The marae has recently been refurbished and re-dedicated.
